

## What Price Civil Justice? (Paperback)

By Sir Alan Peacock, Brian G. M. Main

Institute of Economic Affairs, United Kingdom, 2000. Paperback. Condition: New. Language: English . Brand New Book. In Britain the costs of justice - to taxpayers and litigants - have been rising faster than GDP. For efficiency reasons and to encourage innovation, reform is required and some action is already underway. But reform is complicated because justice is a complex product - bought on trust by many consumers and with precedent and spillover effects. Some good ideas for reform are already in circulation. But there is a case for experimentation rather than trying to work out in advance which ideas should be implemented. Market forces should have a bigger role in the civil justice system and there should be more competition in the provision of dispute resolution services. Probable features of a reformed judicial system would be competitive tendering, better information for clients about alternative ways of proceeding and more power for trial judges to control the passage of a case. The supply of judges also needs to be addressed: court fees could be determined by market forces and the proceeds ploughed back into judicial capacity. Alternative dispute resolution (ADR) procedures allow parties a choice of jurisdictions. ADR produces precedents, to...
