Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from The Indians of the Terraced Houses When we decided on our way to California, a few years ago, to stop off for a week in New Mexico's quaint old capital, we had, in common with most Americans, as little interest in Indians as in South Sea Islanders, and as little knowledge of them. To be sure, we remembered in a general way from our school-books that the Indian had been a troublesome thorn in the flesh of our pushing pioneers; and that the Government now has him systematically in hand under an Indian policy operated from Washington, often with great injustice to the red man, we also thought we knew from Ramona and one or two less popular romances.
