BERRETT-KOEHLER, United States, 2004. Paperback. Condition: New. Language: English . Brand New Book. Bringing out the best in others is good business. When we bring both respect and interpersonal savvy to our work relationships, we do more than make people feel good. We enhance personal and organizational performance. And as the workplace grows more complex and competitive, managing our work relationships becomes even more essential and difficult. Now more than ever we need to work people smart. They provide coaching tips for each scenario and describe exactly what a people-smart response sounds like. Where other books rely on typologies that categorize people according to their interpersonal styles and then offer advice on how to deal with each type, the strategies described in Working PeopleSmart are straightforward and universal. They can be used...
