Wipf Stock Publishers, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Synopsis: Is it possible to make a case that the Gospel of Mark was not composed by a single man from scattered accounts but in a process of people s telling Jesus story over several decades? And what can we say about the tellers who were shaping this story for changing audiences? After an introduction showing the groundwork already laid in oral tradition research, the case begins by tracing the Mark we know back to several quite different early manuscripts which continue the flexibility of their oral ancestors. The focus then turns to three aspects of Mark, its language, which is characterized as speech with special phrases and rhythms, its episodes characterized by traditional forms, and its overall story pattern that is common in oral reports of the time. Finally several soundings are taken in Mark to test the thesis of performance composition, two scenarios are projected of possible early tellers of this tradition, and a conclusion summarizes major findings in the case. Mark s writer turns out to be the one who transcribes the tradition, probably adhering closely to it in order to legitimate the new medium of writing. Endorsements: This is a remarkable book. Just what we have been waiting for to help us understand Mark not only as an exciting story but also as an enlivening performance of the good news. Wire pulls together the challenging breakthroughs of recent research on various fronts that are forcing us to rethink some of the most basic assumptions of the modern study of Scripture. She ingeniously organizes her discussion around the objections often raised by those embedded in print-culture who can t imagine that the Gospel of Mark could have been...
