When her family's pub is threatened with foreclosure, Hennessy O Halloran, along with her three sisters, is determined to raise enough money to keep it out of the hands of the L.A. real-estate developer trying to raze it and replace it with a-god forbid!-multiplex theater. Bryan Truitt always gets what he wants. And what he wants is the sweet corner property on Mayhem's Main Street where O Halloran's Pub sits. But his quick business turns into more than he bargains for when he meets the feisty Hennessy. Next thing he knows, he's betting her he can outlast Mayhem's punishing winter in time to make the pub his-or he'll gift it to her for free. Hennessy knows better than to flirt with the enemy. But suddenly Bryan's not sure which he wants more.the property or the woman who owns it.
