Description of the Sino-Japanese War to the early years of the Republic of China during the reign of the Northern Warlords in the Late Qing Dynasty 1895-1927 economic history. The period of the world and China have experienced profound changes: the worldwide transformation of capitalism to imperialism; domestic range. the unified feudal dynasty conversion to the separatist warlord rule. The important feature of the semi-colonial and semi-feudal society are basically formed in this period. Therefore. the book can be seen as a typical semi-colonial and semi-feudal social and economic history of academic monographs. The book's most important feature is raised as to the development of capitalism in China and development of modern Chinese economic history in the evolution of modern semi-colonial and semi-feudal economy in general as a productive way of historical development process while Centre clues. Its internal logic Contact the formulation of this central clue that the era of Chinese capitalism. the environment and historical conditions of its development and development has a logical historical prescriptive. Methodology helps the rich the culvert amount and content of modern Chinese economic history. the modern Chinese economic history of many of the problems...
