Reviews

Great eBook and useful one. it was actually writtern really completely and useful. You are going to like the way the article writer publish this publication.

(Prof. Ernestine Emar)

MORE DRESS PATTERN DESIGNING - CLASSIC EDITION 4E (HARDBACK)

John Wiley and Sons Ltd, United Kingdom, 2003. Hardback. Condition: New. 4th Edition. Language: English . Brand New Book. The techniques Natalie Bray pioneered and perfected revolutionised dress pattern designing, assisting the rise of the modern fashion industry. Her teaching has had a profound influence on design, production and education and her works are classics: fashions change but the principles of designing patterns in the flat do not. This book covers advanced cutting, lingerie, tailoring and children's clothes. It expands the basic course set out in Natalie Braya's Dress Pattern Designing and shows the application of the basic principles and methods to more advanced styles as well as to specialised cutting.
