Fire Brigades, the regional organisation of Ambulance Services in the United Kingdom (with addresses and telephone numbers) and the organisation of Civil Defence and Emergency Planning, together with an extensive Gazetteer of places and Police Stations in the United Kingdom, cross-referenced with Police Forces, and a detailed index complete this valuable work of reference. This is an essential work of reference for the police, central government, defence staff and the services, security personnel, local authorities, courts, solicitors and large industrial and commercial companies. Significant improvements have been made to the layout of the 2007 edition, in particular to the presentation of police force entries. These pages have been enhanced and restructured, to facilitate location of specific departments and personnel and to promote ease of use.
