Brand New Book ***** Print on Demand *****.Making money with smart phone apps Smart phones have become a ubiquitous part of society. They are everywhere. People are constantly on them updating their social media status, watching videos, movies and TV shows checking stocks and just about everything else you can think of and he has even occasionally actually talking to someone by making a real old-fashioned phone call. All of these things all of these convenient things that a smart phone allows you to do are the result of apps or applications apps are specialized programs that are generally designed to operate on smart phones and tablets, such as an iPhone or an iPad. Sometimes these applications are created by the device companies themselves such as Apple or Samsung. However, there are a lot of applications that are made by third-party companies. These are usually things like games, but they can also be applications for getting stock quotes or weather reports or even applications that will help pilots fly their aircraft. Apps for smartphones generate tons of money billions of dollars a...
