Createspace Independent Publishing Platform, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.A Dead Partner Is Bad for Business Even When He Dies in His Sleep If you liked Michael Connelly's Mickey Haller legal thrillers or John Lescroart's Dismas Hardy series, you'll love Joel Goldman's Lou Mason thrillers. Richard Sullivan was at the top of his profession, a rainmaker in a powerful Kansas City legal firm - until his body washed up on the shores of a Missouri lake. Now the questions about his death and his life are reverberating through a law firm that had more secrets than anyone knew. For trial lawyer Lou Mason, that means navigating a maze of corruption, sex, organized crime and cold-blooded murder as he searches for the killer. When another partner turns up dead - his neck neatly snapped, Mason wonders whether it was the same killer. His life depends on the answer. As he gets closer to the truth, Mason discovers a connection between the two murders that runs deeper than he could have ever imagined. With a media firestorm surrounding him, he's about to get the ultimate lesson - that the most explosive crimes aren't against the law. Lee Child recommends Motion to Kill. Grab your copy today!.
