Reviews

It is one of the best publications. It is definitely simplistic but exciting in the 50% of the ebook. I am very happy to let you know that this is basically the greatest publication I have ever gone through within my own existence and could be the greatest PDF for ever.

CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 160 pages. Dimensions: 9.0in. x 6.0in. x 0.4in. Key aspects of our development become diverted or obstructed during early childhood, profoundly affecting our life outcomes long into adulthood, even before we have the ability to speak or think. Being genuine, i. e. allowing our true impulses to express, became dangerous in one way or another very early, and as a result we constructed habitual masks and inauthentic behaviours to survive and get by. These masks and behaviours rob us of our satisfaction, our ability to form and maintain nurturing relationships, we fail to get core needs met in the world, and we end up settling for what we get, feeling frustrated, isolated and confused about life, or running ourselves ragged pursuing everything that looks like success, whilst never really feeling we have won. This translates into many levels of depression - and depression is rife in our modern world. Whilst therapies have something to offer, they tend not to deal with the fundamental causes, and thus fail to deal with the issues for good. EMSRP addresses the source of the problem by reawakening the developmental processes that simply stopped in early life. Key aspects of the evolutionary heritage of every human being, yes including you, became frozen and failed to mature - leaving the person without the power to change life for the better. Without any complex rocket science EMSRP matures these life-skills without struggle, and this allows people to grow far beyond the limits they have unconsciously accepted as their lot. It has been very developed and trialled for nearly 20 years, and now therapists and counsellors are being trained and accredited to include it in their toolkits. It is particularly effective in alleviating depression, anxiety and...
