Quirk Books, Philadelphia, Pennsylvania, U.S.A., 2002. Soft Cover. Condition: New. After reading *The Worst-Case Scenario Survival Handbook*, did you ever wonder what it s like to be struck by lightning? To run with the bulls in Pamplona? To ride the crushing swell of an avalanche? *Extreme Encounters* describes these adventures and 37 others with endlessly addictive you-are-there second-person narratives so you chill to the numbing effects of frostbite, you hear the 110-decibel roar of a grizzly bear, and you feel the stomach-lurching drop of an elevator freefall. *Extreme Encounters* is a moment-by-moment, blow-by-blow account of what happens to you physically, emotionally, and scientifically during life s most perilous experiences. Like a cross between *The Worst-Case Scenario Survival Handbook* and *Into Thin Air*, these heart-racing stories take readers where few have gone before.
