

Operation Menace: The Dakar Expedition and the Dudley North Affair (Paperback)

Filesize: 5.71 MB

Reviews

A very wonderful book with lucid and perfect answers. It is probably the most incredible book i have study. Its been designed in an exceptionally simple way and is particularly just after i finished reading through this publication by which in fact transformed me, alter the way in my opinion.

(Macey Schneider)

OPERATION MENACE: THE DAKAR EXPEDITION AND THE DUDLEY NORTH AFFAIR (PAPERBACK)

Pen Sword Books Ltd, United Kingdom, 2016. Paperback. Condition: New. Language: English . Brand New Book. Continuing on from his study of the Oran operation of July 1940, when the French warships were destroyed at Mers-el-Kebir, the author investigates the allied expedition of September that year, with De Gaulle present, which unsuccessfully attempted to break the French at Dakar away from the Vichy Government. In addition, there is the story of the Admiral Sir Dudley Pound, Flag Officer Commanding at Gibraltar at the time, who was relieved from his post after allowing a French naval squadron to pass out of the Mediterranean and so jeopardise the Dakar operation. A pet operation of Prime Minister Churchill, it was undertaken against all advice, and it turned out to be a fiasco. In the author s words, Menace exemplified, in its genesis, planning, and execution, all that can go wrong in warfare; an operation fouled up by unforeseen contingencies, the accidents of war, and human error, and against a background of undue political interference, inadequate planning, and half-baked co-operation between Allies. Using Admiralty and Cabinet papers, as well as private sources of information, Marder weaves a skilled course through all the complex material to produce a masterly case-study of how an operation is mounted and how it can go disastrously wrong. It is a classic, tragi-comic illustration of the fog of war.
