Jesuit Possevino, sent to Russia by Pope Gregory XIII; the influx to Moscow of Venetian, German, Scandinavian, and even French adventurers, --all these innovations accustomed the Russian government to look toward the Occident. 27. Conclusion. --The XVI century had witnessed striking transformations and discoveries. It had contributed to the birth of new nationalities, to the unity of France and of Spain, and had opened the doors of Europe to the last of the great nations, which consummated the task of creating the modern European world. At the moment when Philip II, Elizabeth, and Henry IV disappeared, modern monarchical Europe found itself well established. France, in the enjoyment of religious peace, now prepared to exert in Europe for a century an actual political and intellectual domination. Spain still shone with a clear brilliancy in the genius of her artists and writers, but ill-gotten wealth and...
