## SOMERSET THROUGH TIME (PAPERBACK)

Amberley Publishing, United Kingdom, 2012. Paperback. Condition: New. Language: English . Brand New Book. Somerset is justly renowned for its varied landscapes from the wild uplands of Exmoor to the expanses of the Levels. It is also a vibrant county where things have changed regularly. In keeping up with the times, though, it has kept a great deal of what is best about its past, and much of the county's charm comes from features that can seem changeless. Individual chapters in this book cover towns, villages, the coast and countryside, life in Somerset, and historic sites. It includes Glastonbury, Bath and Taunton, coastal resorts such as Weston-super-Mare and Minehead, historic spots such as Dunster and Wells, to some of the less well-known villages of the county and even some views that have been lost over the past century. Join Steve Wallis on this nostalgic and colourful journey through Somerset which will surprise and delight residents and visitors alike.
