Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Sun Tzu for the Digital Age: the BUSINESS person s step-by-step guide to DOMINATE and INFLUENCE your industry, WIN online customers, and EARN with social sales applies strategic warfare principles adopted from Sun Tzu s Art of War to your business, especially where it pertains to migrating and integrating your marketing operations with the internet. Today s digital environment has opened business opportunities to a global degree. The marketing landscape has evolved from a near shoot-in-the-dark-strategy to a very targeted approach thanks to things like algorithms and search engine optimization. Today you can profile your customer and target them with great accuracy through the digital space. Although it is now easier to reach your target audience, one thing characterizes business in the digital age: the war for customers. Even more so than before, technology enables faster and more comprehensive choices, and your brand must now fight for dominance, relevance, innovation and service delivery to maintain its cutting edge amongst similar brands. Whether you are an entrepreneur, a director, a manager, a supervisor; a marketer or salesman, today s business battleground is defined by the internet. This war is very basically a war over customers and market share. With Sun Tzu, the secrets to winning this war are revealed, and show you how to conduct strategic assessments of the market environment, including the profiling of your target customers, to develop your online business strategy. Key to winning customers, is to be highly visible and present on every digital platform where your customers are. Furthermore, you want to be regarded as reliable, trustworthy, engaged and interested in your customers. You want to be considered in their minds as being the preferred source for the...
