Preview: At the Edge of the Orchard by Tracy Chevalier tells the story of the Goodenough family.

The year is 1838, and James and Sadie Goodenough are fighting about apple trees again. The couple has lived for nine years in Ohio s Black Swamp, a dank, moldy, muddy place where it s difficult to farm and live. When the two arrived from Connecticut, they had to build a cabin and clear the entire plot. James and Sadie are struggling. Their closest neighbors are miles away. They are in debt. They no longer feel tenderly towards each other. Almost every year they have lost a child to swamp fever, an illness caused by mosquitoes. Only five of their 10 children remain: Robert, Martha, Sal, Caleb, and Nathan. The couple is fighting because James wants to graft 10 spitter trees into eater trees, to produce apples for eating rather than for making applejack spirits. PLEASE NOTE: This is summary and analysis of the book and NOT the original book. Inside this Instaread Summary...

Reviews

This publication will not be easy to get going on reading but really exciting to read through. it was writtern really perfectly and beneficial. I found out this pdf from my i and dad suggested this publication to find out.

-- **Garrett Adams**

It in one of my personal favorite ebook. I was able to comprehended everything using this created e ebook. I am just pleased to tell you that here is the greatest ebook i have got read through within my own lifestyle and may be he finest publication for possibly.
