Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Using ageless biblical principles that reveal the key to personal competence, Gbeminyi Eboda teaches that being a child is by birth but coming to maturity is by choice. Every individual who must deliver maximally the destiny he/she carries must grow and accept responsibility. Training precedes reigning. Destinies don't fulfill themselves. They are never realized without an intense pursuit. You are responsible for your current outcomes and your future will be premised on the choices you are making, hence the need to grow in competence. This text is another archetypal to guide you from living a life of activity into a life of higher productivity.
