Reviews

It is great and fantastic. Sure, it is actually perform, nevertheless an amazing and interesting literature. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Munshiram Manoharlal Publishers Pvt Ltd, New Delhi, 2004. Hardcover. Book Condition: New. Reprint. This dictionary is designed to help all those who are engaged in learning, teaching, or translating English. It is also meant to help the layman to understand modern technical terms that he comes across in the print or electronic media. Meanings : Different senses of a word are duly numbered as 1, 2, 3 etc. Meanings under each sense are given first in a simple language and then followed by standard Hindi equivalents in modern use. Grammar : In case of nouns, plurals have been noted. In case of verbs, past tense, past participle and, in certain cases, present participle also have been given. Transitive and intransitive senses of verbs have usually been treated separately and their uses illustrated. Derivatives of difficult English words have been specially noted, e.g. cession from cede, climactic from climax, galactic from galaxy, generic from genus, etc., etc. Idioms : To help the learner acquire some proficiency in the English language, a comprehensive treatment has been given of English idioms and phrases. These are printed in bold type so as to be readily spotted. Their use has been illustrated in English sentences which are invariably followed by a Hindi translation. Special guidance has been given to the learner on how to develop his vocabulary and make a small practical dictionary of his own. Pronunciation English spelling often confuses the Indian learner as to the pronunciation of a word. To obviate this difficulty, pronunciation has been noted along with each word. Guidance on pronunciation has been given in the Introduction where, among other things, it has been pointed out that in derivatives of a base word the accent usually shifts to a different syllable, e.g. economy but economical, democracy but democrat, technology but technological,...
