Better Karma LLC, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Considering a career in information technology, but don't know where to start? The new Information Technology is no longer only for geeks, math geniuses, or video game-obsessed nerds. The truth is, technology has now taken over everything in our lives and in doing so, it has created new jobs requiring a wide range of skills and abilities. You do not need a computer science degree to get an entry-level job in I.T. that pays well and offers benefits. You do not need any expensive certifications or courses. You need passion, ambition, this book to help you get started, lots of hard work and a bit of luck. This is the first of a series of books that explores the vast number of entry level jobs available within the growing, lucrative I.T. industry. In the first book, *Is I.T. a Good Fit for You?*, learn the basic skill sets you'll need to break in to the field, as well as what you can expect to encounter in the way of industry culture, terminology, and career paths. Then, turn to subsequent books to learn the specific job requirements for such positions as developer, analyst, tester, and more. Need more information or encouragement before you dive in? Visit our website, (// where we post more useful information, training links, articles and tips. Now go GET I.T. and see what a great career you've been missing!.
