Greenslade Creations, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.As we pray, in our desperation we often ask for salvation or a miracle to be delivered from hardships and trials. Remember, we are part of God, and He wants us to trust that we are His, made in his image, have inherited God s qualities and are powerful. Rather than ask for a miracle, BE THE MIRACLE. Continuing on from Read the Signs, this book reveals more of the story behind Marjolyn Wayenberg and her battle with MS. Read how her positive outlook and knowledge of spiritual healing is enabling her to cope with multiple sclerosis. She has even tried the controversial Bee Treatment, allowing bees to sting her, which returned sensitivity to parts of her body that had become numb. Marjolyn holds nothing back in her candid account of how MS has affected her body and her life. The reality may be harsh but the truth of healing will be an inspiration to you.
