McGraw-Hill Education - Europe. Paperback. Book Condition: new. BRAND NEW, Sea Kayaker's More Deep Trouble, Christopher Cunningham, 29 stories that illustrate what can happen when safety is left on shore. Sea Kayaker's Deep Trouble was a bestselling warning to kayakers: Do not let ignorance or arrogance get you hurt or even killed. Thousands heeded Deep Trouble's tales of tragedy; but even with the benefits of evolving technology and more safety options, kayakers still fall prey to human error. To renew the cautious attitude of seasoned paddlers and to instill safe practices in kayaking newbies, Sea Kayaker's More Deep Trouble presents more stories of kayaking trials, rescues, and tragedy. In these 29 stories collected from Sea Kayaker magazine, survivors and witnesses tell of their experiences with the dangers and risks of kayaking. You will feel the cold rush of water when paddlers fall in, the panic they feel when they do not know how to rescue themselves, and the anxiousness of loved ones waiting to hear any news. You will learn how whale watching could cost you your life, how life-saving electronics are only as good as the batteries you have in them, and how a float plan can initiate a timely search and rescue. End-of-story Lessons Learned summaries suggest what to do if you find yourself in similar unfortunate situations. Read these tales, understand the lessons learned in these incidents, and respect the advice given as you take your next kayaking adventure. This tome of danger and survival may ultimately save your life.
