

## On the Culture of Harmony: Where Are Human Beings Headed? (Hardback)

By Gordon Wang

iUniverse, United States, 2011. Hardback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Human society has experienced the primitive, slavery, feudalistic, and capitalist stages and has witnessed two world wars and numerous regional wars. Humankind currently faces various severe ecological and sociological problems. In On the Culture of Harmony, author Gordon Wang answers the serious and significant question of where human beings are headed in terms of both time and space. Wang traveled across five continents and through dozens of countries searching for answers; now, he shares his results in On the Culture of Harmony. He discusses the origin, concept, and domains of the Culture of Harmony based on an in-depth analysis of the Chinese and world culture and philosophy. He demonstrates how the globalization of economy and information calls for the dominance of the Culture of Harmony, which should be used to correct human bias, establish core values, lead human spirits, and expedite borderless unions. Through a unique perspective of the physical and social sciences, Wang communicates the need to promote a harmonious society through the Culture of Harmony.
