In the eighteenth, nineteenth, and twentieth century, numerous European colonies around the globe used insurgent strategies to secure their independence. In each case, sanctuary served as a critical ingredient for the insurgent successes and the importance of all forms of sanctuary was acknowledged by insurgents and counterinsurgents alike. This systemic appreciation facilitates analysis of which nodes and links provide the insurgency with refuge and access to resources. This informed analysis allows operational planners to design a comprehensive campaign to achieve desired effects on these nodes...
