The secession of the South was one of the seminal events in American history, but it also remains one of the most controversial. The election of Abraham Lincoln was the impetus for secession, but that was merely one of many events that led up to the formation of the Confederacy and the start of the Civil War. On December 20, a little more than a month after Republican Abraham Lincoln had been elected the 16th president, a convention met in Charleston and passed the first ordinance of secession by one of the United States, declaring, We, the people of the State of South Carolina in convention assembled, do declare and ordain. that the Union now subsisting between South...
