

The People s Liberation Army and China in Transition

By -

University Press of the Pacific, United States, 2004. Paperback. Book Condition: New. 223 x 150 mm. Language: English Brand New Book ***** Print on Demand *****.The global war on terrorism has provided a new context for relations between the United States and China. As the September 2002 National Security Strategy of the United States of America makes clear, cooperation with China on a range of economic, political, security, and military issues increasingly serves U. S. interests. At the same time, this relationship retains elements of competition and the potential for confrontation, compounded by a legacy of periodic crises and mutual wariness. Achieving a national consensus on an appropriate balance in U.S.-China relations, especially in military-to-military affairs, remains a central challenge for those who analyze, formulate, and implement America s China policies. The distinguished contributors to this volume offer fresh and sometimes divergent assessments of major trends in Chinese society, national security policy, and military affairs as the fourth generation of national leaders settles into the seats of power. The essays examine leadership shifts under way in the People s Liberation Army and how the Chinese armed forces are coping with dramatic changes in economic and social life, the Chinese Communist...
