WHEN EVERYTHING TURNS UPSIDE DOWN Picking up where Color Blind (book two) left off, Teresa is reeling as her life comes crashing down around her. Betrayal of the worst kind has left her struggling to put on a brave front, setting aside shocked confusion, for the sake of those she cares about. Her telepathic sight dog, Red, and Bastian, help to anchor her against self-doubt and turbulent emotions. Teresa s colorful and varied friends arrive to celebrate Christmas as the family they have become. Generally unaware of her tattered heart, the day is appropriately filled with laughter and fun. Thoughtful gifts are in abundance, including several wonderful surprises. Even Red gets into the festivities with his unique insight (and a bit of sneaky doggy logic). Bastian has remained steadfast in his love and loyalty to Teresa, even when she chose David over him. But David has been living a lie, throwing all Teresa thought she knew into question. As Bastian continues to guard her personal safety against those trying to gain access to PreClan technology, can he also reassure Teresa he is worthy of her trust? This version of the Team Red series is INTENDED FOR MATURE ADULTS OVER 18. Contains graphic sexual content, and swearing, which is unfortunate as the dog repeats everything.
