

Dissension: An Echo Hunter 367 Novel (Paperback)

By Stacey Berg

Voyager, 2016. Paperback. Condition: New. Language: English . Brand New Book. For four hundred years, the Church has led the remnants of humanity as they struggle for survival in the last inhabited city. Echo Hunter 367 is exactly what the Church created her to be: loyal, obedient, lethal. A clone who shouldn't care about anything but her duty. Who shouldn't be able to. When rebellious citizens challenge the Church's authority, it is Echo's duty to hunt them down before civil war can tumble the city back into the dark. But Echo hides a deadly secret: doubt. And when Echo's mission leads her to Lia, a rebel leader who has a secret of her own, Echo is forced to face that doubt. For Lia holds the key to the city's survival, and Echo must choose between the woman she loves and the purpose she was born to fulfill.

Reviews

I just started off reading this article publication. This really is for all who statte there had not been a really worth looking at. You will not feel monotony at anytime of your own time (that's what catalogs are for about should you ask me).

-- Prof. Jeremie Kozey

If you need to adding benefit, a must buy book. it was writtern really perfectly and benefical. You may like the way the author create this ebook.
