CFO and business innovator shares her breakthrough program to tap the leader within. Blythe McGarvie incites readers. to think about the connections between success, ethics, and financial prowess. . Steve Ballmer, CEO, Microsoft. . During her extensive experience studying effectiveness in business, leadership expert Blythe McGarvie uncovered a vital lesson: successful leaders are systems thinkers. By managing the two forces that power the essential dynamic of business systems, integration (fitting in) and transformation (standing out), managers and executives will generate astonishing results: solutions are created, teamwork grows, change is embraced, and effectiveness is improved and rewarded. Now, in Fit In, Stand Out, McGarvie presents her breakthrough program that. will help you become a more effective leader. She reveals how integration and transformation function as the yin and yang of business, working together and balancing each other to form the two sides of leadership success. By mastering these imperatives through the revolutionary FISO FACTOR, you will become a team player while simultaneously advocating change and fostering long-term growth. . Fit In, Stand Out provides the keys to mastering the six agents of FISO (financial acumen, integrity, alliances, learning, perspective, and global citizenship), and the attitudes, behaviors, and characteristics (ABCs) you need to wield them.
