BIG DATA FOR DUMMIES (PAPERBACK)

John Wiley Sons Inc, United States, 2013. Paperback. Condition: New. 1. Auflage. Language: English . Brand New Book. Find the right big data solution for your business or organization Big data management is one of the major challenges facing business, industry, and not-for-profit organizations. Data sets such as customer transactions for a mega-retailer, weather patterns monitored by meteorologists, or social network activity can quickly outpace the capacity of traditional data management tools. If you need to develop or manage big..

Reviews

I just started out reading this pdf. It is full of wisdom and knowledge You are going to like just how the blogger publish this publication.
-- **Lily Gorczany**

Merely no terms to explain. it was actually writtern quite properly and helpful. I realized this pdf from my dad and i suggested this ebook to discover.
