The Two Gentlemen of Verona is a comedy by William Shakespeare, believed to have been written between 1589 and 1592. It is considered by some to be Shakespeares first play, and is often seen as showing his first tentative steps in laying out some of the themes and motifs with which he would later deal in more detail; for example, it is the first of his plays in which a heroine dresses as a boy. The play deals with the themes of friendship and infidelity, the conflict between friendship and love, and the foolish behaviour of people in love. Lucetta then produces a letter; she will not say who gave it to her, but teases Julia that it was Valentines servant, Speed, who brought it from Proteus. Julia, still unwilling to reveal her love in front of Lucetta, angrily tears up the letter. She sends Lucetta away, but then, realising her own rashness, she picks up the fragments of letter and kisses them, trying to...
