

The Prosecution of George W. Bush for Murder

Filesize: 5.7 MB

Reviews

This publication is indeed gripping and intriguing. It is actually written in basic terms and not difficult to understand. I am just pleased to explain how here is the greatest publication we have read through during my own lifestyle and could be the best pdf for at any time.

Vanguard Press, New York, 2008. Hard Cover. Book Condition: New. Dust Jacket Condition: New. First Edition. 8vo - over 7¾" - 9¾" tall. This First Edition, with a "number line" ending in a "1" to indicate First Printing is in New, unread condition, with a New, price-unclipped dust jacket. There are no remainder marks. If the U.S.'s current Administration hadn't been so adamant in its refusal to look "backward," Vincent Bugliosi's carefully researched and shocking legal case might have been fact rather than speculation of what might have occurred had George W. Bush been put on trial for the murder of nearly 4,000 American soldiers who died fighting the war in Iraq because the president knowingly took the nation to war under false pretenses. Bugliosi, famous for his book "Helter Skelter" on the Manson family, provides here the most searing indictment yet of George W. Bush and his Administration. The book includes photo inserts. The end papers consist of rows of photographs of soldiers who died in Iraq. The book is bound in gray boards with a black spine and die-stamped silver spine titles. The book measures 6 1/2 by 9 1/2 inches and includes 344 pages.
