Reviews

This book might be really worth a read, and superior to other. This really is for all who statte there had not been a really worth studying. I am just happy to tell you that this is basically the very best pdf i actually have read through during my very own lifestyle and may be he best ebook for actually.

Peter Owen, London, 2001. Paperback. Book Condition: New. NEW. Small 8vo, pp 212, a mint copy. [First published sixty years ago, Asylum Piece today ranks as one of the most extraordinary and terrifying evocations of human madness ever written. This collection of stories, mostly interlinked and largely autobiographical, chart the descent of the narrator from the onset of neurosis to final incarceration in a Swiss clinic. The sense of paranoia, of persecution by a foe or force that is never given a name, evokes The Trial by Kafka, a writer with whom Kavan is often compared, although her deeply personal, restrained and almost foreign-accented style has no true model. The same characters who recur throughout - the protagonist's unhelpful 'adviser', the friend/lover who abandons her at the clinic and an assortment of deluded companions - are sketched without a trace of the rage, self-pity or sentiment that have marked more recent accounts of mental instability.].
