Old Lands Publishing. Paperback. Condition: New. 414 pages. Dimensions: 9.0in. x 6.0in. x 0.9in. This author embarked on a ten-year journey exploring and collecting vast amounts of information and fascinating stories about this extraordinary landscape, and in so doing, uncovered many little-known gems of history. She reveals how the Spanish captured Paiute Indian children, brought them across the Old Ute Trail around the western end of Grand Canyon and sold them as slaves, and how Mormons purchased Native children, then claimed to simply indenture and raise them to become a white and delightful people. There are stories of rebellious Indian souls, along with tales of moon-shining in Grand Wash and of hilarious colorful pioneer characters. She includes intriguing reports of historic dam surveys and expeditions, river crossings both successful and not, daily lives of families at the old ferry crossings, important archeological surveys, discoveries of mystery mines, the struggles of first settlers. This is truly a collection of great stories. Yet, most of all, the work vividly illustrates how the land ultimately has the sheer power to dictate history, and that the land will continue to do so.
