One winter wedding, two happy couples, three ex-boyfriends. . . And a very uncomfortable weekend. Carol hates Christmas. Being recently dumped, shes not crazy about weddings either. So her sister Marleys nuptials, over the Christmas weekend, are making her positively Scrooge-like. When she arrives for the weekend at the stately home in rural Scotland to find her three ex-boyfriends in attendance, Carol has no choice but to face her ghosts to discover what really happened in those relationships, learning a lot about herself in the process. As the snow falls outside and the fire crackles in the hearth, might one of the wedding guests become the harbinger of Christmases to come This is a novella of approximately 100 pages in paperback, and is a British import. It has been written and edited in British English rather than American English, including all spelling, grammar and punctuation. Gorman is one of my favorite chick lit writers. - Chick Lit Plus Fabulously funny and thoroughly festive, Christmas Carol is the perfect holiday season read. - Chrissie Manby, Sunday Times Bestseller A delicious combination of romance and humour, with a hint of sentiment and a clever play on a classic Christmas tale. - Me, Bookshelf and I The characters are appealing, the pace quick, and the dialogue witty. Gorman's book is a pleasant way to kick off the Christmas season. - Chick Lit Central If I wasn't in the mood for Christmas yet before reading Michele Gorman's Christmas Carol, I certainly was after devouring the story. 5 - Novel Escapes This item ships from La Vergne, TN. Paperback.
